

For many years we have been specialising in retreads, earning a reputation as one of the major suppliers of tyre materials and engaging in the business of solving industry-related problems of all kinds. Our top priorities are safety, value for money and environmental sustainability. These values are reflected in all KRAIBURG products and are central to all the company's business processes. Our business partners also benefit from our slick and professional service. And naturally from our new slogan: DRIVE IT.AGAIN.
