

The banner features the Amazon logo and navigation links at the top. The main visual is a man in a blue jumpsuit holding a tire, with a technician in the background working on a car. The text 'Get professional tire installation with your tire purchase' is prominently displayed in orange and white. A yellow button says 'Shop eligible tires'. Below, a 'How it works' section lists four steps: 1. Select eligible tires and a service center, 2. Schedule an appointment, 3. Place your order, and 4. Go to your appointment for professional tire installation. A central box states 'Your tires will be shipped to the selected service center' with a tire and wrench icon. A car icon with a thumbs up is at the bottom right.
